OBJECTIVE

I worked as an Edtech Engineer at BYJU'S for almost two years, dedicated to facilitating student learning, I have strengthened my skills in problem-solving, Leadership, and effective communication. I am now keenly interested in switching my career to web development driven by a passion to build dynamic user experiences and continous learning.

EXPERIENCE

EdTech Engineer — Mentor   Oct 2022 - Nov 2023
BYJU'S - Think & Learn Pvt Ltd   *Bhubaneshwar, Odisha*

- Created custom-based tools for content management, improving workflow efficiency by 30% and troubleshooting manual tasks by 40%.
- Utilized problem-solving skills to optimize content led to a 30% reduction in technical issues.
- Mentored and supported students, delivering individualized feedback that contributed to a 25% rise in student retention rates and a 10% increase in average grades.

EDUCATION

Veer Surendra Sai University of Technology, Bachelor of Technology   2018 - 2022
Electrical And Electronics Engineering, CGPA : 8.36

Kendriya Vidyalaya , Central Board of Secondary Education   2017 - 2018
Intermediate, Percentage : 81%
